Replacement / Associated Parts

50mm Gauge Unit 0980SU

PFS009 Nutring 1007SN

PFS009 Gasket 2007VG

Please Note:

- 1) The transportation pin should be removed prior to use.
- 2) We recommend that the excess be removed from the screw in the base of the sender to prevent penetration and chaffing.
- 3) All sender units work 12V or 24V.
